

DOCKET: PD-03-0415

The following is an example of an acceptable property rights statement. Statements of this type are, of course, only suitable for situations in which **NO** Agency funds or other considerations were involved in the making or conception of the invention. While this example is in the form of a declaration, a sworn document is equally acceptable.

I (We) ARUN PRAKASH and HANCHING G. WANG

citizens of the United States of America

residing at Santa Monica, California and Hacienda Heights, California

declare:

That I (we) made and conceived the invention described and claimed in patent application:

Serial Number 10/722,756 filed in the United States of America on November 23, 2003

titled TRANSIENT CANCELLATION TECHNIQUE FOR SPACECRAFT SOLAR WING STEPPING

(Check and complete either I or II below)

(Check III and/or IV below as appropriate)

☒ I. (For Inventors Employed by an Organization) That I (we) made and conceived this invention while employed by The Boeing Company. That the invention is related to the work I am (we are) employed to perform and was made within the scope of my (our) employment duties; That the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of The Boeing Company. Other relevant facts are the invention was made and conceived for a commercial product.

That to the best of my (our) knowledge and belief (and/or) based upon information provided by _____ of _____:

—OR—

☐ II. (For Self-Employed Inventors) That I (we) made and conceived this invention on my (our) own time using only my (our) own facilities, equipment, materials, funds, information and services. Other relevant facts are _____

That to the best of my (our) knowledge and belief:

☒ III. The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy.

—AND/OR—

☒ IV. The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.
